## Golf Course at Lake Creek

## HAPPY NEW YEAR

---

### GM Greetings with a Brief Introduction

Welcome in the New Year! I hope everyone has had a safe and joyous holiday season with family and friends. Safe traveling, if you've done so, and it's good to be home again, isn't it? My name is David Boles, and as many of you may know about my official arrival at Lake Creek on Dec 1st. Let me express that I am very, very pleased to be here! Knowing that our meeting one another may still be a few weeks away, I look ahead with anticipation for our in-person

introductions and my meeting each of you then. I thank those members and others for dropping by the Clubhouse with your warm welcoming introductions.

In the meantime and in a few short words of what's ahead, I intend to use this newsletter along with our website and social media platforms to keep the membership, the community and our surrounding areas informed of our 2024 golf programming, its promotions and special offers to the northern Iowa golf market. This will include the many facets involved with our BVU golf facility such as membership registrations, tournament and outings, BVU Men's & Women's golf teams, Storm Lake and St. Mary's High School golf teams, league play - Men, Women and Seniors, outside retail green fees and cart fees, professional golf instruction, Jr. golf clinics and their player involvement, retail operations offering club repair /regripping services. Along with sharing updates of clubhouse operations, food & beverage, room rental and community use promotions. In my capacity, I will also be providing experienced superintendent over-sight of golf course maintenance, course playability, equipment operation, safety and its personnel. I'll be happy to share more with you and answer any questions as we move forward.

I trust you will find this newsletter helpful and informative and know that I'll always be available for comment and conversation. Please use our Lake Creek email address if you would like to contact me with any comments, concerns or questions.

## 2024 Membership Dues & Fees

The 2024 Membership Dues and Registration forms are available for viewing, downloading and printing. Both forms are important, however the form I need to prepare your invoice is the [Membership Registration](#) form.

By taking the time to fill in the classification category within which you fit, and returning it to me, you will help us best plan for the upcoming season as we'll have an early projection for our largest revenue item: Your dues. (Thank you!!!)

Please know that while dues aren't physically due until April 1, we do encourage you to pay when you can. Dues payments are welcome throughout the winter months to help us meet ongoing expenditures such as insurance, utilities, taxes, and more. Your timely payment this week will be a tremendous benefit to help ensure a great start to our 2024 season.

### 2024 Membership Registration

*Your prompt payment is appreciated!*
